

The Statue of Liberty is shown from the waist up, wrapped in a large, white, textured foam bag. The bag covers the lower part of the statue and extends upwards, partially obscuring the base of the torch. The background is a clear blue sky with some white clouds.

Think it's too big for a bag? Think again.

We manufacture foam, bubble and composite pouches in sizes limited only by your imagination.

Pouches can be custom printed and various tapes and adhesives can be applied.
